2012 Exhibition of *New Works* by
Dana Scheurer at the Hyatt Regency Reston's
Market Street Bar & Grill

Greater Reston Arts Center and the Hyatt Regency Reston are pleased to present the work of accomplished Virginia artist Dana Ann Scheurer in a one woman show at the Market Street Bar and Grill from January 17th through April 16, 2012. Join us for the Artist Reception on Monday, January 30th, from 5-7pm which is generously sponsored by the Hyatt Regency Reston's Market Street Bar & Grill.

As one of the area's most creative and prolific artists Dana Ann Scheurer's is known for her expert manipulation of watercolor paints and whimsical subject matter. In addition to participating in all twenty of the annual Northern Virginia Fine Arts Festivals, produced by Greater Reston Arts Center since 1990, Scheurer has been a featured artist in four exhibitions organized by GRACE and has been an active GRACE artist member since 1981.

The upcoming exhibition of *New Works* will include 20 watercolor paintings that showcase Scheurer's mastery of drawing, color, composition, and precise execution of a delicate media. For example, the painting, *Garden Melody*, is a comprehensive expression of Scheurer's love of form, music, classical images, all experienced by the viewer as a striking dreamlike visual delight.

Other new compositions will explore Scheurer's love of special iconic Reston images, such as Lake Anne and Town Center, ageless classical forms, and the light hearted "beach series" where she excels in the use of bold color. The precision of all Scheurer's hand drawn work offers the viewer an opportunity for careful study. There are so many details in each painting that multiple viewings are necessary to take it all in.

For Scheurer this past year has been extremely productive and rewarding. Her images for the prestigious Reston Home Tour continue to brand the much loved fall event. She has also been selected to create lobby installations at Heron House Condominium in Reston, The Jordan in Ballston developed by AHC Inc., and design special wooden block designs commissioned for both the Reston Museum and Reston Walker Nature House. Dovetailing nicely with Scheurer's second passion, running and participating in triathlons, she was commissioned to develop an event brand design for the First Annual Reston Kids Triathlon held this past year.
